

FUNDS AVAILABILITY POLICY DISCLOSURE

FARMERS TRUST & SAVINGS BANK
122 MAIN ST
PO BOX 285
EARLING, IA 51530

(712) 747-2000

PURPOSE OF THIS DISCLOSURE. The information here describes our policy of holding deposited items in a transaction account before funds are made available to you for withdrawal. This is our Funds Availability Policy. In summary, our policy is to make your funds available on the first Business Day after the day of deposit. Please refer to the section DETERMINING THE AVAILABILITY OF YOUR DEPOSIT for the complete policy.

For purposes of this disclosure, the terms “you”/”your” refer to the customer and the terms “our”/”we”/”us” refer to FARMERS TRUST & SAVINGS BANK.

Generally, transaction accounts are accounts which would permit an unlimited number of payments by check to third persons, and also an unlimited number of telephonic and preauthorized transfers to third persons or other accounts you may have with us.

YOUR ABILITY TO WITHDRAW FUNDS. Our policy is to make funds from your cash and check deposits available to you on the first Business Day after the day we receive your deposit. Electronic direct deposits will be available on the day we receive the deposit. Once they are available, you can withdraw the funds in cash and we will use the funds to pay checks that you have written.

DETERMINING THE AVAILABILITY OF YOUR DEPOSIT. The length of the delay varies depending on the type of deposit and is explained below. When we delay your ability to withdraw funds from a deposit, you may not withdraw the funds in cash, and we will not pay checks you have written on your account by using these funds. Even after we have made funds available to you and you have withdrawn the funds, you are still responsible for checks you deposit that are returned to us unpaid and for any other problems involving your deposit.

When we delay your ability to withdraw funds, the length of the delay is counted in Business Days from the day of your deposit. The term “Business Day” means any day other than a Saturday, Sunday or federally declared legal holiday, and the term “Banking Day” means that part of any Business Day on which we are open to the public for carrying on substantially all of our banking functions.

In order to establish that a deposit is made on a particular Business Day, we establish a cut-off time. You must make your deposit before the cut-off time in order for it to be considered to have been made on that Business Day.

LOCATION	CUT-OFF TIME
WOODBINE	2:30 P.M.
HARLAN	3:00 P.M.
EARLING	3:00 P.M.
MOBILE BANKING REMOTE DEPOSITS	2:00 P.M.

However, if you make a deposit after the cut-off time shown above or on a day that we are not open, we will consider the deposit made on the next Business day we are open.

LONGER DELAYS MAY APPLY. In some cases, we will not make all of the funds that you deposit by check available to you according to the previously stated availability schedule. Depending on the type of check that you deposit, funds may not be available until the Second Business Day after the day of your deposit. The first \$225.00 of your deposits, however, may be available on the day of deposit.

If we are not going to make all of the funds from your deposit available to you according to the previously stated availability schedule, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the day after we receive your deposit. If you will need the funds from a deposit right away, you should ask us when the funds will be available.

In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- (a) If we believe a check you deposit will not be paid;
- (b) If you deposit checks totaling more than \$5,525 on any one day;
- (c) If you redeposit a check that has been returned unpaid;
- (d) If you have overdrawn your account repeatedly in the last six months; or
- (e) If an emergency condition arises that would not enable us to make the funds available to you, such as the failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the Seventh Business Day after the day of your deposit.

DEPOSITS AT AUTOMATED TELLER MACHINES. If you make a deposit at an automated teller machine (ATM) that is owned and operated by us before 12:00 pm on a Business Day that we are open, we will consider the deposit made that day. However, if you make a deposit at an ATM that is owned and operated by us after 12:00 pm or on a day that we are not open, we will consider the deposit made on the next Business Day we are open.

SPECIAL RULES FOR NEWACCOUNTS.

If you are a new account holder, the following special rules may apply during the first 30 days your account is open. Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposit of cash, wire transfers, and the first \$5,525 of a day's total deposits of cashier's checks, certified, teller's, travelers, and federal, state and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. For Example, the checks must be payable to you (and you may have to use a special deposit slip). The excess over \$5,525 will be available on the ninth business day after the day of your deposit. If your deposit of the checks (other than U.S. Treasury Check) is not made in person to one of our employees, the first \$5,525 will not be available until the second business day after the day of deposit.

Funds from Local deposits will be available on the Ninth Business Day after day of your deposit.
